**Choose your homework from the menu below. The peri-ometer shows you the level of challenge. You need to reach a minimum of ten points to achieve your homework target for this term!**

<b>6 Points</b>	Write 3 sentences about a trip you have been on. Did you travel by car? Bus? Train? Remember to use a capital letter at the beginning and a full stop at the end of your sentence.	Take a walk around your local area. What different types of transport can you see? Can you count how many of each type you see? You could record this by drawing each type and writing a number next to it.	Look at the recycled objects you have collected in a week. Count and record how much cardboard, plastic, glass and metal you have.
<b>5 Points</b>	Take a photograph of your car/van/bike. Print it and label it.	Collect 10 items made from different materials and label them ready for a show and tell.	Bake some biscuits! You could use a cutter to make them into vehicle shapes.
<b>4 Points</b>	Build a vehicle using recycled items. Can you include wheels and somewhere for the driver to sit?	Find and print a picture of a car/bus/bike/plane you would like to travel in. Can you explain why you would like to travel in it?	Write a list of at least 5 different ways you could travel.
<b>3 Points</b>	Take a ball outside and practice your catching and throwing. Can you catch a ball 5 times without dropping it?	Can you find out who Richard Trevithick is? You could draw a picture of his famous invention!	Draw a picture of something you would like to invent. Can you add some labels to your drawing?
