

Term: Autumn	Year: 2023/24	Teachers: Miss Delbridge	Year Groups: 5
--------------	---------------	--------------------------	----------------

TOPIC: The Tudors

Religious Education

What does it mean for Christians to believe that God is Holy and loving?

In this unit of R.E we will reflect on what we believe God is like and compare this to what Christians believe about God. We will link this learning to parables from the bible to support theories with evidence as well as learning different viewpoints on the creation of the world.

Seasonal Enrichment

Bike ability

Swimming lessons

Harvest festival

Christingle

ART AND DESIGN

ART:

In art this term Morvah class will be exploring the enquiry question 'What is collage?'. This unit of art will incorporate a range of skills, including textiles skills, sketching, colour work, self-portrait and observational drawings. Richard Hamilton will be the artist we are studying this term.

PE

Gymnastics

In gymnastics we will develop flexibility, strength, technique, control and balance by learning and performing a range of different movements and balances. We will also look at movements to link these balances, which will help us build up a sequence to perform as a final piece.

English & Spelling / Grammar

Non-fiction and fiction pieces of independent writing. Some of the novels our writing will be based around this half term include 'The nowhere emporium', 'cosmic' and clips from the film 'mars transmission'.

Report writing linked to science and RE topics.

Spelling patterns according to year group.

Computing

Sequence and animation

Learn to make things happen in a sequence, creating simple animations and simulations.

GEOGRAPHY

What would Sir Frances Drake have seen on his voyage?

Our geography this term will be linked to our history topic of the tudors as we will be focused on the travels of Tudor explorer Sir Frances Drake. We will be learning about geographical features of things he would have passed, such as, volcanoes, rivers, coasts and mountains

HISTORY

The Tudors

This study of the Tudor era will see us learn all about ancient monarchs and how the Tudors rose to power. We will learn about Tudor ways of life as well as how the Tudor era has influences modern day life.

MATHS Y5 objectives

Number facts:

Building speed and accuracy of times tables and related division facts.

Strand: Number and place value

Composition and calculation: Multiples of 1000 up to 1,000,000.

Recap place value up to 1000 and also recap place value of tenths and hundredths.

Strand: Multiplication and division:

Using equivalence to calculate

Calculation: multiplication and division of whole numbers by decimal fractions.

Recap of expanded method of multiplication and bus stop method for division.

Strand: Fractions:

Finding equivalent fractions

Simplifying fractions.

Strand: Measure

Develop accuracy in converting different units of measurement including time.

Measure and calculate perimeter.

Strand : Geometry

Recap 2d and 3d shape and vocabulary knowledge.

Measure and draw angles accurately.

Recap perimeter and area.

Music

All the learning in this half term is focused around one song: Livin on a prayer. We will look at the structure of song and how Rock music developed from the Beatles onwards. Analysing performance.

SPIRITUALITY

50 experiences

School Value

SCIENCE

A study of forces and earth and space

Create questions and devise investigations to test them. Gather and record data.

Ask relevant questions and use scientific enquiry to answer them.

Be able to explain what a fair test is and make modifications to improve accuracy.

BRITISH VALUES

How communities are affected by new cultures.
Learning to live together well.
