3 Points

Draw and label the life cycle of a frog or butterfly.	Compare fire safety in 1666 and today. How have things changed and why? Present your findings.	Make a mini book about a plant or animal's life cycle, with diagrams and explanations.
Make a treasure map of your garden/house using a grid and compass points. Give someone directions to find the treasure!	Build a model of a 1666 street using recycled materials and label the features.	Draw a picture of London in 1666 and label 3 things you see.
Practise giving directions from your house to school using compass points.	Make a poster showing how the fire started, spread, and was stopped.	Write a short diary entry pretending you are in London during the Great Fire.
Cut out or draw the four compass points (N, E, S, W).	Watch a video about the Great Fire of London and write 3 facts.	Use a map to find and label London, Pudding Lane, and the River Thames.
